Tax dollars should not be used to fund donations irrespective of an advertising component. Any exceptions to this policy will require prior Board approval.

This policy does not preclude the CEO from donating products/services produced through Elk Creek/Creative Enterprises for the purpose of Community Benefit (assisting community partners, etc.) nor does it pertain to the Casual for a Cause initiative which is operated using staff donations as opposed to tax dollars.

This policy also does not preclude Agency employees or individuals we serve from making fundraising opportunities of a more individual nature (i.e., school fundraisers, Girl Scout cookies, Boy Scout popcorn, etc.) available to CMH employees within Agency buildings.
