Populations: **ALL**
Programs: **Direct - ALL**
Contracted - ALL

III. POLICY

A request for information from the public will comply with the guidelines as specified in the Freedom of Information Act (FOIA), being Public Act 442 of 1976, and which are outlined in the FOIA Procedures and Guidelines outlined in this policy. This information, along with a Public Summary, shall be available to the public and accessible on the Agency website at www.sanilacmh.org.

IV. PROCEDURES AND GUIDELINES

STATEMENT OF PRINCIPLES

It is the policy of Sanilac Community Mental Health Authority (herein referred to as Authority) that all persons, except those incarcerated, consistent with the Michigan Freedom of Information Act (FOIA), are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and employees. The people shall be informed so that they fully participate in the democratic process.

The Authority's policy with respect to FOIA requests is to comply with State law in all respects and to respond to FOIA requests in a consistent, fair, and even-handed manner regardless of who makes such a request.

The Authority acknowledges that it has a legal obligation to disclose all nonexempt public records in its possession pursuant to a FOIA request. The Authority acknowledges that sometimes it is necessary to invoke the exemptions identified under FOIA in order to ensure the effective operation of government and to protect the privacy of individuals.

The Authority will protect the public's interest in disclosure, while balancing the requirement to withhold or redact portions of certain records. The Authority's policy is to disclose public records consistent with and in compliance with State law.

The Authority's Board has established the following written procedures and guidelines to implement the FOIA and will create a written public summary of the specific procedures and guidelines relevant to the general public regarding how to submit written requests to the public body and explaining how to

understand a public body's written responses, deposit requirements, fee calculations and avenues for challenge and appeal. The written public summary will be written in a manner so as to be easily understood by the general public.

SECTION 1: GENERAL POLICIES

The Sanilac County Community Mental Health Authority Board, acting pursuant to the authority at MCL 15.236, designates the Executive Administrative Assistant (EAA) as the FOIA Coordinator. He or she is authorized to designate other staff to act on his or her behalf to accept and process written requests for the Authority's public records and approve denials.

If a request for a public record is received by fax or email, the request is deemed to have been received on the following business day. If a request is sent by email and delivered to the Authority spam or junk-mail folder, the request is not deemed received until one day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note in the FOIA log both date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator became aware of the request.

The FOIA Coordinator shall review Authority spam and junk-mail folders on a regular basis, which shall be no less than once a month. The FOIA Coordinator shall work with the Authority's IT staff to develop administrative rules for handling spam and junk-mail so as to protect Authority systems from computer attacks which may be imbedded in an electronic FOIA request.

The FOIA Coordinator may, in his or her discretion, implement administrative rules, consistent with State law and these Procedures and Guidelines to administer the acceptance and processing of FOIA requests.

The Authority is not obligated to create a new public record or make a compilation or summary of information which does not already exist. Neither the FOIA Coordinator nor other Authority staff are obligated to provide answers to questions contained in requests for public records or regarding the content of the records themselves.

The FOIA Coordinator shall keep a copy of all written requests for public records received by the Authority on file for a period of at least one year.

The Authority will make this Procedures and Guidelines document and the Written Public Summary publicly available without charge. If it does not, the Authority cannot require deposits or charge fees otherwise permitted under the FOIA until it is in compliance.

A copy of this Procedures and Guidelines document and the Authority's Written Public Summary must be publicly available by providing free copies both in the Authority's response to a written request and upon request by visitors at the offices of the Authority.

These Procedures and Guidelines and the Written Public Summary will be maintained on the Authority's website at www.sanilaccmh.org, so a link to those documents will be provided in lieu of providing paper copies of those documents.

SECTION 2: REQUESTING A PUBLIC RECORD

No specific form to submit a request for a public record is required. However, the FOIA Coordinator may make available a FOIA Request Form for use by the public.

Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the Authority may be submitted on the Authority's FOIA Request Form, in any other form of writing (letter, fax, email, etc.), or by verbal request.

If a person makes a verbal, non-written request for information believed to be available on the Authority's website, where practicable and to the best ability of the employee receiving the request, the person shall be informed of the pertinent website address.

A request must sufficiently describe a public record so as to enable Authority personnel to identify and find the requested public record.

Written requests for public records may be submitted in person or by mail to any Authority office. Requests may also be submitted electronically by fax and email. Upon their receipt, requests for public records shall be promptly forwarded to the FOIA Coordinator for processing.

A person may request that public records be provided on non-paper physical media, emailed or otherwise provided to him or her in digital form in lieu of paper copies. The Authority will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.

A person may subscribe to future issues of public records that are created, issued or disseminated by the Authority on a regular basis. A subscription is valid for up to 6 months and may be renewed by the subscriber.

A person serving a sentence of imprisonment in a local, state or federal correctional facility is not entitled to submit a request for a public record. The FOIA Coordinator will deny all such requests.

SECTION 3: PROCESSING A REQUEST

Unless otherwise agreed to in writing by the person making the request, the Authority will issue a response within 5 business days of receipt of a FOIA request. If a request is received by fax, email or other electronic transmission, the request is deemed to have been received on the following business day.

The Authority will respond to a request in one of the following ways:

- Grant the request
- Issue a written notice denying the request.
- Grant the request in part and issue a written notice denying in part the request.
- Issue a notice indicating that due to the nature of the request the Authority needs an additional 10 business days to respond for a total of no more than 15 business days. Only one such extension is permitted.
- Issue a written notice indicating that the public record requested is available at no charge on the Authority's website.

When a request is granted:

If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available.

The FOIA Coordinator shall provide a detailed itemization of the allowable costs incurred to process the request to the person making the request.

A copy of these Procedures and Guidelines and the Written Public Summary will be provided to the requestor free of charge with the response to a written request for public records, provided however, that because these Procedures and Guidelines, and the Written Public Summary are maintained on the Authority's website at www.sanilacmh.org, a link to the Procedures and Guidelines and the Written Public Summary will be provided in lieu of providing paper copies of those documents.

If the cost of processing a FOIA request is \$50 or less, the requestor will be notified of the amount due and where the documents can be obtained.

If the cost of processing a FOIA request is expected to exceed \$50 based on a good-faith calculation, or if the requestor has not paid in full for a previously granted request, the Authority will require a good-faith deposit pursuant to Section 4 of this policy before processing the request.

In making the request for a good-faith deposit, the FOIA Coordinator shall provide the requestor with a detailed itemization of the allowable costs estimated to be incurred by the Authority to process the request and also provide a best-efforts estimate of a time frame it will take the Authority to provide the records to the requestor. The best-efforts estimate shall be nonbinding on the Authority, but will be made in good faith and will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.

When a request is denied or denied in part:

If the request is denied or denied in part, the FOIA Coordinator will use a Notice of Denial which shall provide in the applicable circumstance:

- An explanation as to why a requested public record is exempt from disclosure; or
- A certificate that the requested record does not exist under the name or description provided by the requestor, or another name reasonably known by the Authority; or
- An explanation or description of the public record or information within a public record that is separated or deleted from the public record; and
- An explanation of the person's right to submit an appeal of the denial to either the office of the CEO or seek judicial review in the Sanilac County Circuit Court;
- An explanation of the right to receive attorneys' fees, costs and disbursements as well as actual or compensatory damages, and punitive damages of \$1,000, should they prevail in Circuit Court.
- The Notice of Denial shall be signed by the FOIA Coordinator.

If the request does not sufficiently describe a public record, the FOIA Coordinator may, in lieu of issuing a Notice of Denial indicating that the request is deficient, seek clarification or amendment of the request by the person making the request. Any clarification or amendment will be considered a new request subject to the timelines described in this section.

Requests to inspect public records:

Upon receiving a verbal request to inspect Authority records, the Authority shall furnish the requesting person with a reasonable opportunity and reasonable facilities for inspection and examination of its public records.

A person shall be allowed to inspect public records during usual business hours, not less than four hours per day. The public does not have unlimited access to Authority offices or facilities, and a person may be required to inspect records at a specified counter or table, and in view of Authority personnel.

Authority personnel assisting with inspection of public records shall inform any person inspecting records that only pencils, and no pens or ink, may be used to take notes.

In coordination with the official responsible for the records, the FOIA Coordinator shall determine on a case-by-case basis when the Authority will provide copies of original records, to allow for blacking out exempt information, to protect old or delicate original records, or because the original record is a digital file or database not available for public inspection.

The FOIA Coordinator is responsible for identifying if records or information requested by the public is stored in digital files or e-mail, even if the public does not specifically request a digital file or e-mail.

A person cannot remove books, records or files from the place the Authority has provided for the inspection.

No documents shall be removed from the office of the custodian of those documents without permission of that custodian, except by court order, subpoena or for audit purposes. The official shall be given a receipt listing the records being removed. Documents may be removed from the office of the custodian of those documents with permission of that custodian to accommodate public inspection of those documents.

Requests for certified copies:

The FOIA Coordinator shall, upon written request, furnish a certified copy of the public record at no additional cost to the person requesting the public record.

SECTION 4: FEE DEPOSITS

If the fee estimate is expected to exceed \$50.00 based on a good-faith calculation, the requestor will be asked to provide a deposit not exceeding one-half of the total estimated fee.

If a request for public records is from a person who has not paid the Authority in full for copies of public records made in fulfillment of a previously granted written request, the FOIA Coordinator will require a deposit of 100% of the estimated processing fee before beginning to search for a public record for any subsequent written request by that person when all the following conditions exist:

- The final fee for the prior written request is not more than 105% of the estimated fee;
- The public records made available contained the information sought in the prior written request and remain in the Authority's possession;
- The public records were made available to the individual, subject to payment, within the time frame estimated by the Authority to provide the records;
- Ninety (90) days have passed since the FOIA Coordinator notified the individual in writing that the public records were available for pickup or mailing;
- The individual is unable to show proof of prior payment to the Authority; and
- The FOIA Coordinator has calculated a detailed itemization that is the basis for the current written request's increased estimated fee deposit.

The FOIA Coordinator will not require an increased estimated fee deposit if any of the following apply:

- The person making the request is able to show proof of prior payment in full to the Authority;
- The Authority is subsequently paid in full for the applicable prior written request; or
- Three hundred sixty five (365) days have passed since the person made the request for which full payment was not remitted to the Authority.

SECTION 5: CALCULATION OF FEES

A fee may be charged for the labor cost of copying/duplication.

A fee will **not** be charged for the labor cost of search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the Authority because of the nature of the request in the particular instance, and the Authority specifically identifies the nature of the unreasonably high costs.

Costs for the search, examination, review, and deletion and separation of exempt from non-exempt information are "unreasonably high" when they are excessive and beyond the normal or usual amount for those services (Attorney General Opinion 7083 of 2001) compared to the costs of the Authority's

usual FOIA requests, not compared to the Authority's operating budget (Block v Davison Community Schools, Michigan Court of Appeals, Unpublished, April 26, 2011).

The following factors shall be used to determine an unreasonably high cost to the Authority:

- Volume of the public record requested.
- Amount of time spent to search for, examine, review and separate exempt from non-exempt information in the record requested.
- Whether the public records are from more than one Authority department or whether various offices are necessary to respond to the request.
- The available staffing to respond to the request.
- Any other similar factors identified by the FOIA Coordinator in responding to the particular request.

The Michigan FOIA statute permits the Authority to charge for the following costs associated with processing a request:

- Labor costs associated with copying or duplication, which includes making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
- Labor costs associated with searching for, locating and examining a requested public record, when failure to charge a fee will result in unreasonably high costs to the Authority.
- The cost of copying or duplication, not including labor, of paper copies of public records. This may include the cost of copies of records already on the Authority's website if you ask for the Authority to make copies.
- The cost of computer discs, computer tapes or other digital or similar media when the requestor asks for records in non-paper physical media. This may include the cost for copies of records already on the Authority's website if you ask for the Authority to make copies.
- The cost to mail or send a public record to a requestor.

Labor costs will be calculated based on the following requirements:

- All labor costs will be estimated and charged in 15-minute increments, with all partial time increments rounded down. If the time involved is less than 15 minutes, there will be no charge.
- Labor costs will be charged at the hourly wage of the lowest-paid Authority employee capable of doing the work in the specific fee category, regardless of who actually performs work.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits.
- The Authority may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits. Overtime wages will not be included in labor costs unless agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.
- Contracted labor costs will be charged at the hourly rate of \$59.22 (6 times the state minimum hourly wage).

The cost to provide records on non-paper physical media when so requested will be based on the following requirements:

- Computer disks, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will only be assessed if the Authority has the technological capability necessary to provide the public record in the requested non-paper physical media format.
- The Authority will procure any non-paper media and will not accept media from the requestor in order to ensure integrity of the Authority's technology infrastructure.

The cost to provide paper copies of records will be based on the following requirements:

- Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$.10 per sheet of paper. Copies for non-standard sized sheets of paper will reflect the actual cost of reproduction.
- The Authority will provide records using double-sided printing, if it is cost-saving and available.

The cost to mail records to a requestor will be based on the following requirements:

- The actual cost to mail public records using a reasonably economical and justified means.
- The Authority may charge for the least expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless specified by the requestor.

If the FOIA Coordinator does not respond to a written request in a timely manner, the Authority must:

- Reduce the labor costs by 5% for each day the Authority exceeds the time permitted under FOIA up to a 50% maximum reduction, if **any** of the following applies:
 - The Authority's late response was willful and intentional,
 - The written response conveyed a request for information within the first 250 words of the body of a letter facsimile, email or email attachment, or
 - The written request included the words, characters, or abbreviations for "freedom of information", "information", "FOIA", "copy" or a recognizable misspelling of such, or legal code reference to MCL 15.231, et seq. or 1976 Public Act 442 on the front of an envelope or in the subject line of an email, letter or facsimile cover page.
- Fully note the charge reduction in the Detailed Itemization of Costs Form.

SECTION 6: WAIVER OF FEES

The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because it can be considered as primarily benefiting the general public. The Authority Board may identify specific records or types of records it deems should be made available for no charge or at a reduced cost.

SECTION 7: DISCOUNTED FEES

Indigence

The FOIA Coordinator will discount the first \$20.00 of the processing fee for a request if the person requesting a public record submits an affidavit stating that they are:

- Indigent and receiving specific public assistance; or
- If not receiving public assistance, stating facts demonstrating an inability to pay because of indigence.

An individual is not eligible to receive the waiver if:

- The requestor has previously received discounted copies of public records from the Authority twice during the calendar year; or
- The requestor requests information in connection with other persons who are offering or providing payment to make the request.

An affidavit is a sworn statement. The FOIA Coordinator may make a Fee Waiver Affidavit form available for use by the public.

Nonprofit organization advocating for developmentally disabled or mentally ill individuals

The FOIA Coordinator will discount the first \$20.00 of the processing fee for a request from:

- A nonprofit organization formally designated by the state to carry out activities under subtitle C of the Federal Developmental Disabilities Assistance and Bill Of Rights Act Of 2000, Public Law 106-402, and the Protection And Advocacy For Individuals With Mental Illness Act, Public Law 99-319, or their successors, if the request meets all of the following requirements:
 - Is made directly on behalf of the organization or its clients.
 - Is made for a reason wholly consistent with the mission and provisions of those laws under section 931 of the Mental Health Code, 1974 PA 258, MCL 330.1931.
 - Is accompanied by documentation of its designation by the state, if requested by the public body.

SECTION 8: APPEAL OF A DENIAL OF A PUBLIC RECORD

When a requestor believes that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, he or she may appeal to the Authority's Board by filing an appeal of the denial with the CEO.

The appeal must be in writing, specifically state the word "appeal" and identify the reason or reasons the requestor is seeking a reversal of the denial. The FOIA Appeal Form (To Appeal a Denial of Records) may be used.

The Authority Board is not considered to have received a written appeal until the first regularly scheduled Authority Board meeting following submission of the written appeal.

Within 10 business days of receiving the appeal, the Authority Board will respond in writing by:

- Reversing the disclosure denial;
- Upholding the disclosure denial; or
- Reverse the disclosure denial in part and uphold the disclosure denial in part; or
- Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the Authority Board shall respond to the written appeal. The Authority Board shall not issue more than 1 notice of extension for a particular written appeal.

If the Authority Board fails to respond to a written appeal, or if the Authority Board upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing a civil action in Circuit Court.

Whether or not a requestor submitted an appeal or a denial to the Authority Board, he or she may file a civil action in Sanilac County Circuit Court within 180 days after the Authority's final determination to deny the request.

If a court that determines a public record is not exempt from disclosure, it shall order the Authority to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. Failure to comply with an order of the court may be punished as contempt of court.

If a person asserting the right to inspect, copy or receive a copy of all or a portion of a public record prevails in such an action, the court shall award reasonable attorneys' fees, costs, and disbursements. If the person or Authority prevails in part, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs and disbursements.

If the court determines that the Authority has arbitrarily and capriciously violated this act by refusal or delay in disclosing or providing copies of a public record, the court shall order the Authority to pay a civil fine of \$1,000, which shall be deposited into the general fund of the state treasury. The court shall award, in addition to any actual or compensatory damages, punitive damages in the amount of

\$1,000 to the person seeking the right to inspect or receive a copy of a public record. The damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

SECTION 9: APPEAL OF AN EXCESSIVE FOIA PROCESSING FEE

"Fee" means the total fee or any component of the total fee calculated under section 4 of the FOIA, including any deposit.

If a requestor believes that the fee charged by the Authority to process a FOIA Request exceeds the amount permitted by state law or under this policy, he or she must first appeal to the Authority Board by submitting a written appeal for a fee reduction to the CEO.

The appeal must be in writing, specifically state the word "appeal" and identify how the required fee exceeds the amount permitted. The FOIA Appeal Form (To Appeal an Excess Fee) may be used.

The Authority Board is not considered to have received a written appeal until the first regularly scheduled Authority Board meeting following submission of the written appeal.

Within 10 business days after receiving the appeal, the Authority Board will respond in writing by:

- Waiving the fee;
- Reducing the fee and issuing a written determination indicating the specific basis that supports the remaining fee;
- Upholding the fee and issuing a written determination indicating the specific basis that supports the required fee; or
- Issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Authority Board will respond to the written appeal. The Authority Board shall not issue more than 1 notice of extension for a particular written appeal.

Where the Authority Board reduces or upholds the fee, the determination must include a certification from the Authority Board that the statements in the determination are accurate and that the reduced fee amount complies with its publicly available procedures and guidelines and Section 4 of the FOIA.

Within 45 days after receiving notice of the Authority Board's determination of an appeal, the requesting person may commence a civil action in Sanilac County Circuit Court for a fee reduction.

If a civil action is commenced against the Authority for an excessive fee, the Authority is not obligated to complete the processing of the written request for the public record at issue until the court resolves the fee dispute.

An action shall not be filed in circuit court unless **one** of the following applies:

- The Authority does not provide for appeals of fees,
- The Authority Board failed to respond to a written appeal as required, or
- The Authority Board issued a determination to a written appeal.

If a court determines that the Authority required a fee that exceeds the amount permitted under its publicly available procedures and guidelines or Section 4 of the FOIA, the court shall reduce the fee to a permissible amount. Failure to comply with an order of the court may be punished as contempt of court.

If the requesting person prevails in court by receiving a reduction of 50% or more of the total fee, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages.

If the court determines that the Authority has arbitrarily and capriciously violated the FOIA by charging an excessive fee, the court shall order the Authority to pay a civil fine of \$500, which shall be deposited in the general fund of the state treasury. The court may also award, in addition to any actual or compensatory damages, punitive damages in the amount of \$500 to the person seeking the fee reduction. The fine and any damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

SECTION 10: CONFLICT WITH PRIOR FOIA POLICIES AND PROCEDURES; EFFECTIVE DATE

To the extent that these Procedures and Guidelines conflict with previous FOIA policies promulgated by the Authority Board and Authority Administration these Procedures and Guidelines are controlling. The extent that any administrative rule promulgated by the FOIA Coordinator subsequent to the adoption of this resolution is found to be in conflict with any previous policy promulgated by the Authority Board or the Authority Administration, the administrative rule promulgated by the FOIA Coordinator is controlling.

To the extent that any provision of these Procedures and Guidelines or any administrative rule promulgated by the FOIA Coordinator pertaining to the release of public records is found to be in conflict with any State statute, the applicable statute shall control. The FOIA Coordinator is authorized to modify this policy and all previous policies adopted by the Authority Board or the Authority Administration, and to adopt such administrative rules as he or she may deem necessary, to facilitate the legal review and processing of requests for public records made pursuant to Michigan’s FOIA Statute, provided that such modifications and rules are consistent with State law. The FOIA Coordinator shall inform the Authority Board of any changes to these Procedures and Guidelines.

These FOIA Procedures and Guidelines become effective July 1, 2015.

THE PEOPLE SHALL BE INFORMED SO THAT THEY MAY FULLY PARTICIPATE IN THE DEMOCRATIC PROCESS.

Consistent with the Michigan Freedom of Information Act (FOIA), Public Act 442 of 1976, the following is the Written Public Summary of the Authority's FOIA Procedures and Guidelines relevant to the general public.

This is only a summary of the FOIA Procedures and Guidelines of Sanilac County Community Mental Health Authority. For more details and information, copies of the Authority's FOIA Procedures and Guidelines are available at no charge at any Authority office and on the Authority's website: www.sanilacmh.org.

1. How do I submit a FOIA request to the Authority?

- A request must sufficiently describe a public record so as to enable the Authority to find it.
- Please include the words "FOIA" or "FOIA Request" in the request to assist the Authority in providing a prompt response.
- Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the Authority may be submitted on the Authority's FOIA Request Form, in any other form of writing (letter, fax, email, etc.), or by verbal request.
 - Any verbal request will be documented by the Authority on the Authority's FOIA Request form.
 - No specific form to submit a written request is required. However, a FOIA Request Form and other FOIA-related forms are available for your use and convenience on the Authority's website at www.sanilacmh.org, and at any Authority office.
- Written requests may be delivered to the Authority in person or by mail to 227 E. Sanilac Avenue, Sandusky MI 48471.
- Requests may be faxed to (810) 648-0319. Ensure prompt response, faxed requests should contain the term "FOIA: or "FOIA Request" on the first/cover page.
- Requests may be emailed to info@sanilacmh.org. To ensure prompt response email requests should contain the term "FOIA" or "FOIA Request" in the subject line.

2. What kind of response can I expect to my request?

- Within 5 business days after receiving a FOIA request, the Authority will issue a response. If a request is received by fax or email, the request is deemed to have been received on the following business day. The Authority will respond to your request in one of the following ways:
 - Grant the request,
 - Issue a written notice denying the request,
 - Grant the request in part and issue a written notice denying in part the request,
 - Issue a notice indicating that due to the nature of the request the Authority needs an additional 10 business days to respond, or
 - Issue a written notice indicating that the public record requested is available at no charge on the Authority's website.
- If the request is granted, or granted in part, the Authority will ask that payment be made for the allowable fees associated with responding to the request before the public record is made available.
- If the cost of processing the request is expected to exceed \$50, or if you have not paid for a previously granted request, the Authority will require a deposit before processing the request.

3. What are the Authority's deposit requirements?

- If the Authority has made a good faith calculation that the total fee for processing the request will exceed \$50.00, the Authority will require that you provide a deposit in the amount of 50% of the total estimated fee. When the Authority requests the deposit, it will provide you a non-binding best efforts estimate of how long it will take to process the request after you have paid your deposit.
- If the Authority receives a request from a person who has not paid the Authority for copies of public records made in fulfillment of a previously granted written request, the Authority will require a deposit of 100% of the estimated processing fee before it begins to search for the public record for any subsequent written request when **all** of the following conditions exist:
 - The final fee for the prior written request is not more than 105% of the estimated fee;
 - The public records made available contained the information sought in the prior written request and remain in the Authority's possession;
 - The public records were made available to the individual, subject to payment, within the best effort time frame estimated by the Authority to provide the records;
 - Ninety (90) days have passed since the Authority notified the individual in writing that the public records were available for pickup or mailing;
 - The individual is unable to show proof of prior payment to the Authority; and
 - The Authority has calculated an estimated detailed itemization that is the basis for the current written request's increased fee deposit.
- The Authority will not require the 100% estimated fee deposit if any of the following apply:
 - The person making the request is able to show proof of prior payment in full to the Authority;
 - The Authority is subsequently paid in full for all applicable prior written requests; or
 - Three hundred sixty five (365) days have passed since the person made the request for which full payment was not remitted to the Authority.

4. How does the Authority calculate FOIA processing fees?

The Michigan FOIA statute permits the Authority to charge for the following costs associated with processing a request:

- Labor costs associated with copying or duplication, which includes making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
- Labor costs associated with searching for, locating and examining a requested public record, when failure to charge a fee will result in unreasonably high costs to the Authority.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure, when failure to charge a fee will result in unreasonably high costs to the Authority.
- The cost of copying or duplication, not including labor, of paper copies of public records. This may include the cost for copies of records already on the Authority's website if you ask for the Authority to make copies.
- The cost of computer discs, computer tapes or other digital or similar media when the requestor asks for records in non-paper physical media. This may include the cost for copies of records already on the Authority's website if you ask for the Authority to make copies.
- The cost to mail or send a public record to a requestor.

Labor Costs

- All labor costs will be estimated and charged in 15-minute increments, with all partial time increments rounded down. If the time involved is less than 15 minutes, there will be no charge.
- Labor costs will be charged at the hourly wage of the lowest-paid Authority employee capable of doing the work in the specific fee category, regardless of who actually performs work

- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. The Authority may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.
- Overtime wages will not be included in labor costs unless agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.
- Contractor labor costs will be charged at the hourly rate of \$48.90 (6 times the state minimum hourly wage).

A labor cost will not be charged for the search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the Authority. Costs are unreasonably high when they are excessive and beyond the normal or usual amount for those services compared to the Authority's usual FOIA requests, because of the nature of the request in the particular instance. The Authority must specifically identify the nature of the unreasonably high costs in writing.

Copying and Duplication

The Authority must use the most economical method for making copies of public records, including using double-sided printing, if cost-saving and available.

Non-paper Copies on Physical Media

- The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will be charged only if the Authority has the technological capability necessary to provide the public record in the requested non-paper physical media format.

Paper Copies

- Paper copies of public records made on standard letter (8 1/2 x 11) or legal (8 1/2 x 14) sized paper will not exceed \$.10 per sheet of paper.
- Copies for non-standard sized sheets of paper will reflect the actual cost of reproduction.

Mailing Costs

- The cost to mail public records will use a reasonably economical and justified means.
- The Authority may charge for the least expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless your request it.

Waiver of Fees

The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because it can be considered as primarily benefitting the general public. The Authority Board may identify specific records or types of records it deems should be made available for no charge or at a reduced cost.

5. How do I qualify for an indigence discount on the fee?

The Authority will discount the first \$20.00 of fees for a request if you submit an affidavit stating that you are:

- Indigent and receiving specific public assistance; or
- If not receiving public assistance, stating facts demonstrating an inability to pay because of indigence.

You are **not** eligible to receive the \$20.00 discount if you:

- Have previously received discounted copies of public records from the Authority twice during the calendar year; or
- Are requesting information on behalf of other persons who are offering or providing payment to you to make the request.

An affidavit is a sworn statement. For your convenience, the Authority has provided an Affidavit of Indigence for the waiver of FOIA fees on the back of the Authority FOIA Request form, which is available on the Authority's website, www.sanilacmh.org.

6. May a nonprofit organization receive a discount on the fee?

A nonprofit organization advocating for developmentally disabled or mentally ill individuals that is formally designated by the state to carry out activities under subtitle C of the Federal Developmental Disabilities Assistance and Bill of Rights Act of 2000, Public Law 106-402, and the Protection and Advocacy for Individuals with Mental Illness Act, Public Law 99-319, may receive a \$20.00 discount if the request meets all the following requirements in the Act:

- Is made directly on behalf of the organization or its clients.
- Is made for a reason wholly consistent with the mission and provisions of those laws under section 931 of the Mental Health Code, 1974 PA 258, MCL 330.1931.
- Is accompanied by documentation of its designation by the state, if requested by the public body.

7. How may I challenge the denial of a public record or an excessive fee?

Appeal of a Denial of a Public Record

If you believe that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, you may appeal to the Authority Board by filing a written appeal of the denial with the office of the Executive Director.

The appeal must be in writing, specifically state the word "appeal", and identify the reason or reasons you are seeking a reversal of the denial. You may use the FOIA Appeal Form (To Appeal a Denial of Records), which is available on the Authority's website: www.sanilaccmh.org.

The Authority Board is not considered to have received a written appeal until the first regularly scheduled Authority Board meeting following submission of the written appeal. Within 10 business days of receiving the appeal the Authority Board will respond in writing by:

- Reversing the disclosure denial;
- Upholding the disclosure denial; or
- Reverse the disclosure denial in part and uphold the disclosure denial in part.

Whether or not you submitted an appeal of a denial to the Authority Board, you may file a civil action in Sanilac County Circuit Court within 180 days after the Authority's final determination to deny your request. If you prevail in the civil action the court will award you reasonable attorneys' fees, costs and disbursements. If the court determines that the Authority acted arbitrarily and capriciously in refusing to disclose or provide a public record, the court shall award you damages in the amount of \$1,000.

Appeal of an Excess FOIA Processing Fee

If you believe that the fee charged by the Authority to process your FOIA request exceeds the amount permitted by state law, you must first appeal to the Authority Board by filing a written appeal for a fee reduction to the office of the Executive Director.

The appeal must specifically state the word "appeal" and identify how the required fee exceeds the amount permitted. You may use the FOIA Appeal Form (To Appeal an Excess Fee), which is available at the Authority or on the Authority's website: www.sanilaccmh.org.

The Authority Board is not considered to have received a written appeal until the first regularly scheduled Authority Board meeting following submission of the written appeal. Within 10 business days after receiving the appeal, the Authority Board will respond in writing by:

- Waiving the fee;
- Reducing the fee and issue a written determination indicating the specific basis that supports the remaining fee;
- Upholding the fee and issue a written determination indicating the specific basis that supports the required fee; or
- Issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Authority Board will respond to the written appeal.

Within 45 days after receiving notice of the Authority Board's determination of the processing fee appeal, you may commence a civil action in Sanilac County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or an appropriate amount of reasonable attorneys' fees, costs and disbursements. If the court determines that the Authority acted arbitrarily and capriciously by charging an excessive fee, the court may also award you punitive damages in the amount of \$500.

Records Located on Website

If the Authority directly or indirectly administers or maintains an official internet presence, any public records available to the general public on that internet site at the time the request is made are exempt from any labor charges to redact (*separate exempt information from non-exempt information*).

If the FOIA Coordinator knows or has reason to know that all or a portion of the requested information is available on its website, the Authority must notify the requestor in its written response that all or a portion of the requested information is available on its website. The written response, to the degree practicable in the specific instance, must include a specific webpage address where the requested information is available. On the detailed cost itemization form, the Authority must separate the requested public records that are available on its website from those that are not available on the website and must inform the requestor of the additional charge to receive copies of the public records that are available on its website.

If the Authority has included the website address for a record in its written response to the requestor and the requestor thereafter stipulates that the public record be provided to him or her in a paper format or other form, including digital media, the Authority must provide the public records in the specified format (if the Authority has the technological capability) but may use a fringe benefit multiplier greater than the 50%, not to exceed the actual costs of providing the information in the specified format.

Request for Copies/Duplication of Records on Authority Website

I hereby stipulate that, even if some or all of the records are located on a Authority website, I am requesting that the Authority make copies of those records on the website and deliver them to me in the format I have requested above. I understand that some FOIA fees may apply.

Overtime Labor Costs

Overtime wages shall not be included in the calculation of labor costs unless overtime is specifically stipulated by the requestor and clearly noted on the detailed cost itemization form.

- 1. Labor to copy/duplicate
- 2. Labor to locate
- 3a. Labor to redact
- 3b. Contract labor to redact
- 6b. Labor to copy/duplicate records already on Authority's website

- (1) If a public body makes a final determination to deny all or a portion of a request, the requesting person may do 1 of the following at his or her option:
 - (a) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial.
 - (b) Commence a civil action in the circuit court, or if the decision of a state public body is at issue, the court of claims, to compel the public body's disclosure of the public records within 180 days after a public body's final determination to deny a request.
- (2) Within 10 business days after receiving a written appeal pursuant to subsection (1)(a), the head of a public body shall do 1 of the following:
 - (a) Reverse the disclosure denial.
 - (b) Issue a written notice to the requesting person upholding the disclosure denial.
 - (c) Reverse the disclosure denial in part and issue a written notice to the requesting person upholding the disclosure denial in part.

- (3) A board or commission that is the head of a public body is not considered to have received a written appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a). - (4) In an action commenced under subsection (1)(b), a court that determines a public record is not exempt from disclosure shall order the public body to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. Venue for an action against a local public body is proper in the circuit court for the county in which the public record or an office of the public body is located has venue over the action. The court shall determine the matter de novo and the burden is on the public body to sustain its denial. The court, on its own motion, may view the public record in controversy in private before reaching a decision. Failure to comply with an order of the court may be punished as contempt of court.
- (5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.
- (6) If a person asserting the right to inspect, copy, or receive a copy of all or a portion of a public record prevails in an action commenced under this section, the court shall award reasonable attorneys' fees, costs, and disbursements. If the person or public body prevails in part, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).
- (7) If the court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by refusal or delay in disclosing or providing copies of a public record, the court shall order the public body to pay a civil fine of \$1,000.00, which shall be deposited into the general fund of the state treasury. The court shall award, in addition to any actual or compensatory damages, punitive damages in the amount of \$1,000.00 to the person seeking the right to inspect or receive a copy of a public record.
