## THE FAMILY PLANNING PROGRAM

McKenzie Health System provides a wide range of services for both male and female clients.

Clients are seen by appointment and walk-ins are welcome when able.

Exam and supply fees are "sliding." We take into account your family size and income to determine your fee. We also bill insurances for services.

### INITIAL EXAM

Includes:

- ❖ PAP test for cervical cancer – if indicated
- ❖ Blood Pressure
- ❖ Weight BMI
- ❖ Tests for Chlamydia & gonorrhea (if indicated or requested)

### ANNUAL EXAM

Includes:

- ❖ PAP test for cervical cancer – if indicated
- ❖ Breast exam
- ❖ Blood Pressure & Weight
- ❖ Tests for Chlamydia & Gonorrhea as indicated or requested

Educational needs of our clients are assessed at every visit with reinforcement of problem areas.

### MALE EXAM

Includes:

- Testicular exam
- Blood pressure
- Weight
- Chlamydia & Gonorrhea (as indicated or requested)

### SEXUALLY TRANSMITTED INFECTION TESTS AVAILABLE FOR FAMILY PLANNING CLIENTS

May include:

Office visit and confidential screening for:

- Chlamydia
- Gonorrhea

## BIRTH CONTROL

There are a wide variety of birth control options available:

- ❖ Birth Control Pills
- ❖ Depo Provera (shot)
- ❖ Condoms
- ❖ Diaphragms
- ❖ IUD- with referral
- ❖ Ortho Evra Patch
- ❖ Nuva Ring

Education is provided on each form of contraception

**\*Parental consent is not required\***

### EMERGENCY CONTRACEPTION
